## ABOUT ME

Autonomous, proactive and adaptable, I enjoy taking initiative, solving technical and interpersonal problems, and embracing new challenges. As a 3D artist myself, I understand the creative and technical needs of artists, which helps on a smooth communication and collaboration.

## PROFESSIONAL EXPERIENCES

### ○ VISIOSCREEN

#### HEAD OF AFTER-SALES SUPPORT

November 2025 - June 2026

- Listening to, analyzing and supporting customer issues while providing tailored solutions
- Managing after-sales support and coordinating technical interventions
- Interface between clients, technical teams and sales teams.
- Managing internal and external conflict resolution
- Configuring, maintaining and troubleshooting Android/Windows audiovisual equipment. Direct collaboration with suppliers in China and Europe for hardware improvements
- Managing the position independently with strong organizational skills, responsiveness and initiative-taking abilities

### ○ ESMA - COWS

2024-2025

- Co-director and production manager on COWS Shortmovie
- 3D Generalist in Modeling | Texturing | Lighting | Rendering. Use and development of a Solaris USD pipeline and Templates.

### ○ CGEVFX

#### INTERNSHIP

Summer 2024

- Assisted in the production of various shots for French series and films (Les Tuches 5, Bastion 36, Ad Vitam...).
- Used all the studio's 3D tools, from modeling to pre-compositing.

### ○ PANETERRA

#### SALES ASSISTANT IN A BAKERY

2024-2025

- Saturdays only, alongside my studies.
- Order preparation, customer advices and sales.
